

## Ridway Wilkes

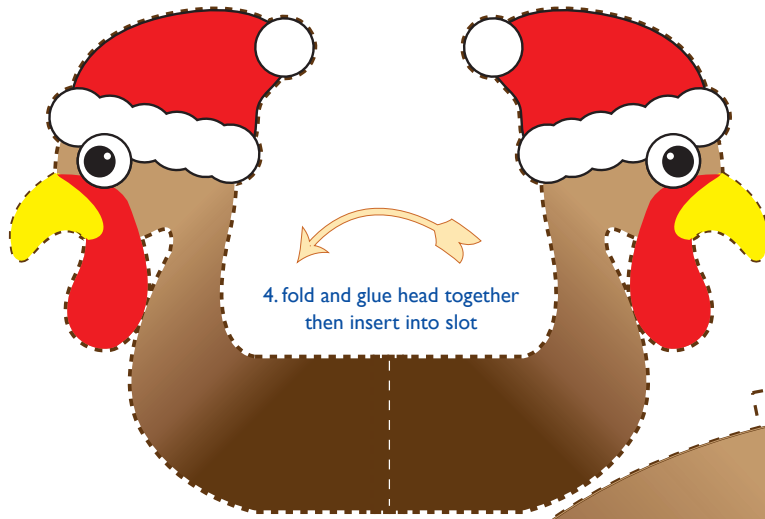

### Merry Christmas from Ridway Wilkes!

In these health conscious times and people's increasing concern for animal welfare it can be difficult to organise a truly guilt-free Christmas dinner.

Well worry no more! Our technicians have been busy all year and we are pleased to present you with our free range, vegetarian-friendly, fat free Christmas turkey.

Simply print this sheet out and carefully cut out the shapes. A little glue, some folding and a fair bit of patience will reward you with a lovely festive fowl.

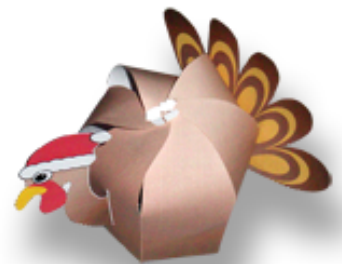

No turkeys were harmed in the making of this product.

4. fold and glue head together then insert into slot

2. glue tab to close sides

1. glue tabs to base

3. tuck each 'tooth' underneath the previous one
