

FALSE WIDOW SPIDER

Eeeeeek it's a deadly false widow spider!

The False Widow Spider. This scary arachnid will defraud your pension company by falsely claiming her husband is dead, eventually draining all the funds and leaving you facing your old age penniless, the cunning beastie.

This cut out and make creepy spider is simple to make and can be filled with sweets to be given out on All Hallows Eve.

Warning: May contain traces of curds and whey.
